

AURA

Breathe fresh

Aura fresheners are the most effective and compact air freshener dispensing system with revolutionary odour neutralizing and scenting technology. The strength of the fragrance remains constant 24 hours a day with this revolutionary passive solution. This revolutionary Air Dispenser aerosol system has the finest fragrance refills that are VOC compliant in the U.S. States tested thoroughly before launch. The wall mounted dispenser fits great for small businesses restrooms to big commercial spaces. Boost your business image and keep customers comfortable by providing a fresh smelling restroom. Schedule daily/weekly scenting intervals and make output adjustments accurately from your smart phone/tablet. Use of Aura application helps to monitor and operate the odour control dispenser all day long.
